in association with

A very good afternoon to everybody especially our opponents today, Darlington FC.
Our recent results away from home have been very encouraging especially the 1-0 victory over Fulham when we went down to 10 men, where the lads showed tremendous fight and professionalism to come away with the 3 points. But those two away victories will only really be a good achievement if we can get the three points today. We must have consistency away from home and at home. A big thankyou goes out to all you supporters both home and away from the players, it is such a tremedous lift to them and definitely give us the edge that we need for battle every time we represent "Team Preston".
We are starting to come together as a team. Everybody at the club is starting to understand the disciplines and teamwork that will stand us in good stead for the future. In the same breath I must give everybody a warning football has a habit of kicking you up the backside especially when things are going well. And to guard against this happening players must remain professional and hardworking, supporters must realise there is a long way to go and there will be many ups and downs, but together we can be a stern test for anybody in this division.

Thankyou for your support and drive home carefully.

INSIDE DEEPDALE

Glen Bonnell, North End's chief scout was born and bred in Preston. At 39 he is old enough to have attended a Secondary Modern School, Tulketh in fact, where he claims he played, but did not excel at, football. Aside from odd appearances for The Withy Trees and Meadow Street Tavern in the mid to late seventies Glenn had little involvement with soccer until he started scouting.

However, he came to be a full time professional football scout by a rather circuitous route. That is to say via employment as a van driver, post office worker, building site labourer, wood machinist, dray cellerman to name just a few.

Glenn started off scouting to help a friend, Mick Taylor, who was a player coach at Barrow but he didn't get seriously involved until he was asked to help out scouting for Hartlepool United. Glenn explains how that came to be: "I was actually working on Hexham bye pass putting white lines and cats eyes in the middle of the road when I met former North End Centre Half John Bird who was coach at Hartlepool. I didn't actually meet him on the bye pass, rather I bumped into him one night when, to relieve the boredom of the job, I went to see Newcastle United v West Bromwich Albion. We got talking and he told me he was after a left back. From helping out at Barrow I knew a bit about lower division players and I suggested to him that he take a look at Phil Chambers (former manager of Scarborough) who at that time had just been released by Rochdale. Hartlepool signed him and he did pretty well and that is how I ended up scouting."

Other players Glenn recommended to Hartlepool were Paul Haigh, Andy Toman and Paul Baker and he got particular satisfaction when Toman and Baker scored 45 goals between them in their first season for the club.

Glenn worked for Hartlepool on a casual, part time basis between 1984 and 1990. It was while he was watching a Manx cup tie between Burnley and Blackpool that he was approached by John Beck with an offer to become part of the scouting team for Cambridge United. Glenn jumped at the chance of working with Beck as, having got to know many players, coaches and managers Glenn considered John Beck to be the most professional and determined of them all.

Glenn was responsible for spotting four players who ended up at Cambridge United: Mick Heathcote and the Preston trio of Farrell Kilbane, John Fowler and Gareth Ainsworth. When John Beck left Cambridge Glenn admits a tinge of disappointment that he didn't get the call immediately to join forces with his boss. This was particularly so as Mr Beck had just joined Glenn's home town team who he had supported regularly until the end of the Alan Ball era in 1973. (Glen confesses to a period of disloyalty in the mid 1970's when he became a Glasgow Celtic fanatic). It wasn't long before John Beck's chosen scout Harry McNally left for Tranmere Rovers and when offered the job of full time scout at Deepdale Glenn jumped at the chance. He claims the credit for spotting Neil Whalley, David Moyes, Greg Challender, Liam Watson, Steve Holmes and Steve Woods.

Glenn's responsibilities include keeping in touch with North End's 39 volunteer scouts who are based all over England, Ireland, Scotland, Wales and The Irish Republic. His own success points up the fact that anyone can become a football scout and North End's scouts include people from all walks of life. They may be tinkers, tailors or soldiers but will always end up as spies. Fans may think that Glenn himself has got the best job in town being paid to watch football matches but he points out that many might change their views if they had to set off driving home at 10pm after watching Brentford Reserves against Millwall Reserves. Travelling forms a massive part of Glenn's working hours and he reckons to travel around 10,000 miles in a 6 week period during the season. To give fans an idea of his average routine, between the 3rd and the 11th September he watched the following matches: Cardiff City v Swansea City; Weymouth v Ashford Town; Watford Reserves v Arsenal Reserves; Welling v Farnborough; Wimbledon Reserves v Bristol City Reserves; Oxford United Reserves v Charlton Athletic Reserves; Leicester City Reserves v Blackpool Reserves; Queens Park v Cowdenbeath and Swindon Town v Derby County. For those who listen to, or spread, terrace rumours he was not watching Swindon Town striker Andy Mutch.

Wives of North End fanatics who take in a couple of games a week will no doubt have intense sympathy for Glenn's wife Corrina who he describes as very understanding and a tremendous support. This is not surprising when she is married to a man who has been known to work 8am to 4am. (Some London reserve matches kick off on weekdays in the afternoon and it is therefore possible to take in two southern matches in one day). Glenn however, isn't the only North Ender who goes out scouting and he points out that he needs to work very hard to make sure he takes in more matches than John Beck and Gary Peters who he describes as having an insatiable appetite for scouting themselves.

Whereas Glenn's job is mainly to find new talent he does occasionally help out in checking out future opponents although he explains that Chris Sulley plays a big part in this area now when he has any spare time after coaching the Youth side. It is also possible to get a fair idea of future opponents capabilities and tactics from videos of their previous matches. When asked how much video footage of matches helps make his own talent spotting job easier and reduce travelling requirements Glenn laughs and points out that scouting for new players is not like watching a match as a fan. "I often watch matches and I haven't a clue who has scored because I focus not on the ball but only on the player I am watching. Only if I decide he isn't worth watching anymore do I have a look at what else is going on. Then, occasionally I will spot someone who I hadn't set out to watch."

"Inside Deepdale" could not resist the opportunity to put Glen Bonnell on the spot so we asked him to name his top four for the third division, of course, without including PNE. His tips for the top are as follows: 1. Torquay United 2. Barnet 3. Carlisle United and 4. Hereford United but then he points out he doesn't get to see too many third division first team matches and only enjoys the luxury of watching PNE first team in action about twice in a season.

FROM THE SECRETARY *Audrey Shaw*

Good afternoon, and for the second time in a short space of time our opponents today are Darlington who we visited for our first fixture of this season.

It was good to see so many people at Deepdale for our first game on grass against Lincoln City. The Club certainly has marvellous support and I hope that the players can continue to get the right results on the field and who knows, our attendances hopefully will increase even more. The Club also has a tremendous travelling support, and we are now successfully running our own Travel Club.

On a sad note we were sorry to see Liam Watson having to retire from the professional game through injury. Liam joined the Club from Warrington and we had great hopes for him, especially with his goal scoring record, but it just shows how injury can put a premature end to what looked like being a great career. I am sure we all wish Liam and his family all the best for the future.

This being the Season of the Family, as part of this theme North End recently held an Open Day to encourage people both young and old to come along and mingle with players. This proved to be a very good Public Relation exercise and we have received many compliments from fans wanting us to do similar events in the future. I would like to extend thanks to the members of the Official Supporters Club, volunteers and staff who gave up their time to help with this event.

North End are very keen to build up a relationship with youngsters in the area and I recently went along with David Moyes and Stuart Hicks to a local junior football club where they had organised an evening for the youngsters to meet the players. David and Stuart spent time talking with the youngsters and being put on the spot with questions. The evening proved to be very successful and enjoyable.

To continue with the family theme North End have now renamed the Reserve fixtures to Family Football Night. This is aimed at encouraging mums, dads, grandparents and youngsters, to come along to Deepdale and join in the family fun. Why not come on down on Monday 19th September to see for yourself when we play host to Mansfield Town in our first home fixture in the Pontin's League.

Due to a printing error the new charges in the promotion and relegation structure for the Endsleigh League was omitted from the last programme so I will try again to give you the details for each division:-

FROM THE TREATMENT ROOM *Alex Moreno*

Hello and welcome to this new column in which I shall keep you updated on the latest injuries and their progression.

At present, with the season well under way the treatment room is relatively quiet (as well as it could be when Kevin Magee is around!!) At the moment we have three injuries.

Mickey Norbury, being the only long term absentee from the first team after fracturing his leg last season. The leg has healed well and it is now a case of strengthening his leg and improving Mickey's fitness level.

Last Saturday (3rd September) saw two new casualties. First, Mike Conroy sustained a strain to his adductor muscle in his groin. Previously he had problems with the tendons in the same groin. Despite good progress under treatment, it will be at least three weeks before Mike could be considered for first team duty.

The second injury occurred during the 'B' team game against Crewe. Kevin Magee sustained a kick to his left knee damaging the ligaments. This was an unfortunate set back for Kevin as he had been recovering well from his fractured fibula (sustained in the last League fixture of last season against Wycombe Wanderers). Despite the fact he had only been recently diagnosed as a diabetic Kevin was responding well to treatment. (Due to printing deadlines, these notes were compiled before the League fixture at Gillingham).

KNOW YOUR WAY AROUND THIRD DIVISION

News on Three with Mike Payne

After six games it is Carlisle who are setting the pace and their 1-0 win over Exeter leaves them still unbeaten and on 16 points. That is three ahead of Torquay who have continued last season's form to maintain their challenge. Goals are in short supply generally and the only other unbeaten side, Doncaster, have yet to concede a goal, a remarkable feat. I bet that has got the Doncaster historians checking records! North End's record is looking good especially when everyone remembers that only one of their first six games has been played at Deepdale. Neil Trebble's winner at Fulham gave us a rare win at Craven Cottage and an even rarer win in London. Our defeat at Barnet was disappointing but Ray Clemence's side has proved that it was not a fluke by continuing their impressive start. They have been particularly impressive away from Underhill with three wins on their travels.

Down at the other end of the table Northampton are again struggling as are Hereford. After Hereford's fine win over WBA in the Coca Cola Cup they quickly came down to earth by losing at home to fellow strugglers Wigan. Perennial goalscorer Neil Rimmer hit the winner with just a minute to go. All records are up to and including 11 September 1994.

4 5,720 Carlisle v Scarborough
5 5,306 Fulham V Walsall

Unfortunately Mark Sale has only scored three goals so far and not four as recorded in most of the papers. If you don't believe me have a look at George Hodkinson's video of the Lincoln match. The goal in question was actually scored by former North Ender Colin Greenall who must have forgotten his transfer! But to cheer you up Mark, did you know that according to one of my correspondents you are the most popular player at Deepdale. Apparently he tells me that all the shops in the town has your name in the windows. "Giant Sale, Great Sale, Super Sale, Unforgettable Sale". Yes I know you have probably heard that one before but it made me laugh!

And finally to keep you abreast of ex North Enders, Nigel Jemsons scored for Notts County on his debut at Bristol City after a £300,000 transfer from Sheffield Wednesday, Lenny Johnrose scored one of Bury's goals against Scunthorpe and Dave Thompson hit Rochdale's winner at Northampton. There was an old boys reunion at Plymouth when Huddersfield were the visitors as Graham Shaw, Martin Hodge, Pat Scully and Ronnie Jepson all got together and I noticed that Gary Swann is now turning out for Scarborough.

Since their opening game against Preston, Darlington have had an encouraging start to the season. Knocked out of the Coca Cola cup by Barnsley (only on away goals) their League form is as good as Preston's. Having already won at Mansfield 1-0 and beaten Exeter at home 2-0, last Saturday's 2-1 win at home to Torquay lifted them to eighth place just below Preston (incidentally it was Torquay's first defeat in the League this season). Darlington have only lost once so far, that being at local rivals Hartlepool 1-0.

In form forward Steve Gaughan has scored three so far and should give Preston's defence a testing time. Like Preston, Darlington have only conceded two League goals so far, largely due to Mike Pollitt, their goalkeeper who did so much to deny Preston on the opening day.

All in all Darlington should provide Preston with a stiff test today, and other players to watch are Adam Reed, Ian Banks, Robbie Painter and of course Bernie Slaven, all having had impressive starts to the season.

BETWEEN THE STICKS

DARREN COLLIER ... In his first year at the Feethams Darren was Darlington's only ever-present last season. The 26 year old started his football career at Middlesbrough before a free transfer took him to Ewood Park in December 1987. It was with Blackburn that Darren made his League debut. The Stockton born keeper went on to make a total of 31 appearances but the arrival of Bobby Mimms prevented him from adding to his tally.

MIKE POLLITT ... A recent signing from third division rivals Lincoln City, Mike was brought in to provide competition for Collier and has seized the keeper's jersey for the opening games of the campaign. Mike, who celebrates his 22nd birthday next week, was born in Farnworth and joined Manchester United as a trainee. He went on loan to Oldham Athletic soon after signing a professional contract with the Reds but just a year later made a permanent move to Bury. Still without a League game under his belt, Mike signed for Lincoln in December 1992 and became first choice keeper for the Imps.

LEADING FROM THE BACK

MATTHEW APPLEBY ... The 22 year old defender signed at the beginning of the season from Newcastle United. Born in Middlesbrough, Matthew is described as a quality defender and it is hoped that his experience of first division and Premiership football will prove valuable to both himself and Darlington this season.

PAUL CROSS ... Paul began his career with his hometown club Barnsley as an apprentice. He spent over 8 seasons with the club making a total of 115 full League appearances. Due to the Yorkshire club's large squad Paul found it increasingly difficult to maintain a first team place and he came to Deepdale on loan where he made 3 appearances. A permanent move to Preston fell through and in January 1992 he was transferred to Hartlepool United. The 28 year old became a regular in the squad proving himself to be well worth the £20,000 fee. When Alan Murray took over the reins at Feethams he made no hesitation in returning to his old club to snap up the skilful left-back. Paul is currently captaining the side.

ANDY CROSBY ... Andy began his football career as a Leeds United trainee but only made his League debut after a move to Doncaster in July 1991. He went on to feature in a total of 51 League matches for the Rovers. The 21 year old joined the Quakers in December 1993 making his debut in the victory over Lincoln. Andy then played in all the remaining League matches up to the close of the season settling well into the heart of the Darlington defence. Described as one to watch this season.

SEAN GREGAN ... 20 year old Sean is a former Darlington trainee who has appeared in about 60 League matches for the club. The Cleveland born defender made his League debut versus Huddersfield in December 1991. Sean is 6ft 2 in and described as a fine prospect for the future.

ADAM REED ...Adam is in his fourth season playing in the first team at the Feethams after completing a youth training scheme at the club. Born in Bishop Auckland, the 19 year old made his debut in the 3-0 defeat at Stoke City back in April 1992 and last season added a further 13 games. At the time of writing he looks to have gained a regular place in the line-up this term in the absence of Sean Gregan.

MEN IN THE MIDDLE

IAN BANKS ...Ian, in his 17th year as a professional footballer, joined Darlington, his 7th club, in the summer from Rotherham United. The highly experienced midfielder counts Leicester City and Barnsley in his many clubs and his biggest money transfer came in 1988 when he moved from Huddersfield to Bradford for £180,000. Unfortunately for Ian his League debut for Darlington did not go as planned, he was sent off in the match versus North End on the opening day of the season.

ROBBIE PAINTER ...Former Chester trainee who North End fans may remember from his spell with local rivals Burnley. He signed for the Clarets on transfer deadline day in 1992 from Maidstone for around £85,000. He spent just over a year at Turf Moore making 26 League appearances. Robbie, 23, had a good first season at the Feethams - after signing in September he went on to become the club's highest scorer with 14 goals.

STEVE GAUGHAN ... Born in Doncaster, Steve joined hometown club as a youth player. He made his League debut whilst at Belle Vue and went on to make 67 League appearances over 2 1/2 seasons. He then moved to Sunderland in July 1990 on a free transfer but failed to appear for the first team and joined Darlington in January 1992 for £10,000. Described as a strong skilful midfielder the 24 year old scored his first goal of the season in a 2-0 win over Exeter City.

PAUL OLSSON ...A hard-working player brought in from Hartlepool United to add experience to the middle of the park. Paul, 28, started out with his hometown club Hull City but was unable to break into the first team. He moved on a free transfer to Exeter in March 1987 and then was transferred back north to Scarborough just over a year later. In December 1989 a £5,000 move to Hartepool United followed. He made almost 140 appearances over 3 seasons but made no hesitation in joining his former boss Alan Murray during the summer at the Feethams.

GARY HIMSWORTH ... 24 year old Gary began his career with York City making his debut at the age of 17. He spent 3 seasons with the Minstermen before moving to Scarborough on a free transfer. It was at the McCain Stadium that he made a further 92 appearances before a transfer took him to Darlington in the summer of 1993. Gary is described as a tricky hard working midfielder who is coming into the reckoning again after recovering from a broken leg sustained in February.

SIMON SHAW ... Simon, who celebrates his 21st birthday in a few days time, is another player to come through the youth ranks at the Feethams. Born in Middlesbrough, the midfielder played his first senior game for Darlington in April 1992 versus Bury and over the last 2 campaigns has become a regular member of the starting line-up.

IN ATTACK

BERNIE SLAVEN ... Widely experienced front runner who is in his second season at the Feethams. Bernie, now 33, started out North of the Border with Morton and gained further experience with a number of Scottish clubs before moving south to Middlesbrough for £25,000. It was at Ayresome Park that his career took off, appearing 307 times in the League scoring 119 goals and becoming a firm favourite with the fans. After 8 successful seasons with Middlesbrough Bernie joined Port Vale on a free transfer before his move back to the North-East.

PAUL MATTISON ... A young right winger who has been thrown in at the deep end this season following a string of impressive performances for the Reserves. Paul joined the club from non-League Ferrybridge and made his League debut versus Preston at the start of the campaign.

GARY CHAPMAN ... Widely travelled striker who joined Darlington in the summer of 1992 from Torquay United on a free transfer. The 30 year old has had experience with several clubs including Notts County, whom he joined from Bradford City, his hometown club, where he started as a trainee. Gary was an almost ever-present last term and chipped in with 7 goals.

Paul's father Bob Raynor was a former Forest keeper

Have you got a nickname at the club? "Raynors" is the usual one, but I get called "Seapig" as well. That one came from Cambridge I had a big, bushy moustache for a while and the lads, all said I looked like a walrus! Gareth Ainsworth sometimes calls me "mammoth".

Who did you support as a lad? Nottingham Forest

How were you first spotted? I was spotted playing school football, From there I went on to have trials at Notts County and Nottingham Forest and signed for Forest as a result.

What was it like to be managed by Brian Clough? Different. He was a good manager whose methods rubbed off on the players. There was rarely a dull moment under him.

I understand you've played European football for Swansea City. What can you tell us about that? I played for Swansea in the Cup Winners Cup against Panathinaikos at the Olympic Stadium in Athens. There were 53,000 people there and I scored.

But was it as good as scoring in front of the Town End? Well they were both good atmospheres. At the end of the day both sets of fans want the same thing so I enjoyed both.

Do you have any superstitions? How many pages have you got? I always wear the same pair of underpants for matchdays, I'm very fussy about that. They're got my name and number on them. Also, I always touch both sides of the tunnel and the "Welcome to Deepdale" sign before running out and I always run out with a ball.

What do you consider to be your own personal strengths within the game? I'd say my first touch is one of my strong points, as well as my passing and crossing.

What aspects of your game would you most like to improve on? I would like to score more goals than I do, although is suppose I'm more of a provider than a scorer. I think the boss might like to get my weight down a bit too.

Where does your future lie at the end of your professional career? I'd like to go into coaching, at the professional level hopefully though I'd like to stay in the game in some capacity.

How would you like to be remembered by the fans at the end of your Deepdale career? Just as someone who brought the fans a bit of entertainment and enjoyment.

Who's been the biggest influence on your career? Brian Clough, he taught me about the game from an early age and introduced me to the professional side of the game. John Beck has been a big help too, he took me to Cambridge on a free from Swansea and brought me here as well.

What have been the best and worst moments of your career so far? The best has to be Wembley. I'd never played there before and scoring was great. Even though we lost, I haven't met anyone who didn't enjoy it. The worst moment was when I played for Swansea, away against Monaco. We lost 9-0 and I only touched the ball two or three times. It was that bad.

What did you think of the artificial surface and are you glad to be playing on grass at Deepdale again? I quite liked the plastic. I think it helped me to get a good first touch of the ball. Also, we rarely lost on that pitch. But I am glad to be back on grass. After all that 's how the game is supposed to be played.

You room with Gareth Ainsworth on away trips. Has he got any annoying habits? He is just mad. He plays with spiders that he catches and at every hotel we go to, he pins Jim Morrison t-shirts to the wall above his bed.

Which of the grounds you have played at is your favourite and why? I'd say Anfield because I always score there. I've been three times with reserve teams and scored each time.

Who do you consider to be your most difficult opponent and why? Graham Roberts, the ex Spurs player. I played against him when I was 18 and as a young player, I found him very intimidating.

Which player in you position do you admire most and why? When I was an apprentice at Forest I admired John Robertson, the ex Forest and Scotland left winger, for his skill and crossing ability.

Who is the dressing room joker? I've got to say Kevin Magee, though Mickey Norbury comes a close second.

What is the worst injury you have ever suffered and how long did it take you to recover? I broke my leg when I was at Forest. It took me 8 months to recover fully.

What do you and the rest of the team do on the coach to pass the time on long away trips? I usually play cards, we have two card schools. Gareth often brings horror videos with him, which he and a few of the lads like watching.

Are you ever conscious of the crowd during a game and if you're having a bad game, do you notice negative comments from the terraces? Yes I notice the crowd reactions. They really do make a difference, especially here, they really spur you on. If I am having a bad game, I do notice comments from the crowd. People think we just ignore it but it is very difficult. You're always aware of what is said.

What are your predictions for the champions of the 4 divisions?
Premier:- Newcastle United
First:- Wolverhampton Wanderers
Second:- Stockport County
Third:- Us

Finally Paul, is there anything you'd like to say to the fans? Just that the lads want success just as much as you do, so please keep up the good work for us.

WE'VE MET BEFORE

PRESTON. N.E. V DARLINGTON

By Lawrence Bland

North End and Darlington have met very little over the years. The first meeting was at Darlington on Wednesday September 9th 1925 in Division Two, a 1-1 draw.
Teams:- Darlington:- Crumley, Greaves, Joyce, Dickson, Robinson, Malcolm, Hooper M., Hooper W., Brown, McKenzie and Stevens (1).
North End:- Branston, Hamilton, Cook, Williamson, Forrest, Crawford, Atkins, Russell, Woodhouse, Barnes and Harrison.
The first meeting at Deepdale was on Good Friday April 2nd 1926, 0-0 draw. North End: Wharton, Wade, Hamilton, Forrest, Morris, Crawford, Jackson, Russell, James, Devlin and McEachran. Darlington: Crumley, Joyce, Mellow, Slade, Robinson, Burridge, Hooper, Jackson, Scott, McKenzie and Little.
North End did the double the following season, winning 4-1 at Deepdale and 1-0 away. Then our paths didn't meet again until a Leyland DAF Trophy 1st Round tie at Deepdale on Tuesday 8th January 1991. 2,418 saw North End win 2-1 after extra time.
North End: Kelly, Senior, Rathbone, Flynn, Fee, Wrightson (sub Harper), Mooney, Peel (sub Greenwood), Joyce (1 pen), Shaw and Swann (1).
Darlington:- Prudhoe, McJannett, Gray, Willis, Smith, Coverdale (sub Trotter), Gill, Toman, Borthwick, Linacre (1) and Tait (unused sub Cork).
Back to league business in 1991-92, in Division Three, we completed the double, winning 2-1 at home, and 2-0 away. Last season we again did the double, 3-2 at home and 2-0 away on April 23rd, which ensured a play-off place.
The last meeting was the first game of this season, a 0-0 draw at Darlington.

BYGONE DAYS

With Mike Payne

FIVE YEARS AGO: 1989-90
On September 16 1989 North End travelled to Bristol Rovers where a disastrous first half performance lost us the game. Former Preston player Geoff Twentyman opened the scoring for the home side and further goals from Gary Penrice and Devon White made it 3-0 before we had got going. The fact that there was no further scoring after the break was no consolation for a poor display. Meanwhile Darlington were winning the Conference in this season and at this time had gone eight games without defeat following a 2-1 win over Stafford Rangers.

TEN YEARS AGO: 1984-5
An away win at Cambridge United was our fourth win in five games at the start of this season but it proved to be a false start. Graham Houston gave us a first half lead and second half goals by Peter Houghton and Paul Wilkins made it 3-0 and a conclusive victory. Unfortunately we then went on to lose our next eight league games on the trot! Darlington shared in a 1-1 draw at Torquay with Carl Airey scoring the Quakers goal cancelling out one from Derek Fowler for the home side.

TWENTY YEARS AGO: 1974-5
It was exactly 20 years to the day that Preston beat Charlton Athletic here at Deepdale by two goals to nil. 11,869 people were in the ground to see North End maintain their second position in the old Division Three. In the first hour, with Tony Morley very impressive, North End attacked relentlessly and could have had six goals. Mike Elwiss gave us a deserved lead after 26 minutes and two minutes later Morley scored a second. After that it was all pretty even and John Brown was forced into a couple of excellent saves. Bobby Charlton's silky touches added to an interesting night's football. He was playing against a side who over 20 years earlier he made his debut against Manchester United. Darlington had played the night before and had been beaten at home in the old Fourth Division by Rochdale. They had led at half time thanks to a goal by Don Burluraux but goals from Taylor and Ferguson turned the result around after the break.

PAPER TALK

By Lancashire Evening Post Sports Editor Brian Ellis

Join North End and see the world...or to be more accurate, BOTH worlds in football's lower divisions.

From stadiums which are 'state of the art' to others which are more 'look at the state of that!' You certainly reach the highs and lows in the basement of English soccer. Having scraped the barrel covering Preston, I've seen plenty of clubs bending to the wind of change whistling through the game since Hillsborough - and others who just pee into it!

And the thing that strikes me is, if they can build three new stands at Bury with crowds of 2,500, why can't they do it everywhere?

Take Northampton, everyone's whipping boys last season - bar ours - who were only spared the trapdoor to non-league obscurity in May because Kidderminster (boooo!) couldn't make the grade with their Aggborough ground.

The Cobblers (appropriate name that) still don't seem to have a team this year either, but they've got a brand, spanking new 7,500 all-seater stadium at Six Fields to play badly in.

And, although other Third Division clubs like Torquay and Rochdale have improved their little grounds by thinking big, it seems it would take a hurricane, not just a wind of change, to blow away the cobwebs at the others. I found myself dusting off spiders' webs at Craven Cottage, of all places, last Saturday. Although the Riverside Stand opposite, where all the posh people go to sit in the presence of Jimmy Hill, should be highly commended, the old 'listed' main stand on Stevenage Road would be better condemned.

Council tenants to the tips of their clog-irons, the directors have long fancied doing the place up. But, if you live in a rented house, you don't stick a conservatory on the back, do you?

And, unlike your regular council property, the arrangement between North End and the local authority is such that the tenants are obliged to do all the repairs themselves while the Town Hall just collects the rent.

Needless to say the inhabitants of this particularly undes. res in Lowthorpe Road can't help looking longingly at other clubs where the relationship with the council is a whole lot better.

Still, enough of that before the stewards throw me out.

Huddersfield Town's space age 20,000-seater Kirklees Stadium is the other new ground to open this season, bringing the total of Football League clubs who have relocated in the last six years to seven - Scunthorpe, Walsall, Chester, Wycombe and Millwall are the others.

Kirklees was only built because the local authority of the same name decided to back the project with a hefty wedge.

Other Football League Clubs wanting to build new grounds are Derby County, Grimsby, Middlesbrough, Oxford, Portsmouth and Sunderland. And Bristol City, Bristol Rovers, Charlton, Luton, Notts County, Oldham, Southend, Watford and West Brom are all underway with the final phase of going all-seater to comply with Taylor's 1994 deadline for First Division clubs.

Sounds like you'll need to wear a collar and tie soon to watch football.

But, sad to say, that isn't the whole picture. North End, although keen to redevelop, are one of several clubs stuck in a time warp of either their own or someone else's making.

Carlisle, Doncaster, Darlington, Gillingham, Chesterfield, Mansfield, Scarborough, Exeter and Colchester are just some of the others in Division 3.

Many of them are homely little clubs, but that's as far as it goes. How long, I ask myself, before such facilities are no longer acceptable in the professional game?

If there is a local councillor in the house this afternoon, then I suggest you take a good look around.

Then ask yourself this question: Would I pay £350,000 for his heap?

THEY PLAYED FOR BOTH CLUBS

Steve Senior

Known for his cavalier approach to the full back position, Steve Senior proved to be a popular figure during his two seasons here at Deepdale. Master of the perfectly timed tackle and constant sorties down the wing, Steve would have fitted in perfectly with the present regime.

Signed from Wigan Athletic Steve first caught the eye of manager Les Chapman in an end of season clash against PNE when he kept a certain Brian Mooney quiet.

Sheffield born Steve spent 7 years with York City, his first professional club and also had a spell on loan at Darlington, todays opponents. He was loaned out as part of his rehabilitation programme due to a broken leg, which hindered his progress at York. The season Steve was at Darlington proved to be quite a successful one for the North End club, eventually finishing 3rd in what was then the old 4th Division. No play-offs then so Darlington went straight up along with champions Chesterfield, Blackpool and Bury.

Steve only played 5 games for Darlington (won 3 drawn 2), but the manager, the late Cyril Knowles, was impressed enough to offer York £10,000 for his services. Dennis Smith, the York City manager still saw Steve as part of his set up and refused the offer, but things change in football and Steve soon found himself playing for Northampton.

Things did not go to plan and he was transferred to Wigan Athletic where he stayed for three seasons before joining Preston North End.

Recalling his time at Deepdale Steve reckons that the 1991/92 season gave him the most pleasure, especially the 3rd Round FA Cup tie against Sheffield Wednesday. Being a Sheffield lad he had all the family down for that game. "We really fancied our chances, we were 6th in the league and on a roll" said Steve. "We battered Wednesday that afternoon but Chris Woods the ex-England goalkeeper had an inspired game and we just couldn't put one past him."

Voted Player of the Year by the supporters he was surprisingly given a free transfer by manager Les Chapman. Steve dropped into non League football playing for Witton Albion in the Vauxhall Conference but he found the travelling too much for him as he was still living in the Preston area, so when Bamber Bridge manager Tony Greenwood enquired about his services he jumped at the chance.

Ironically his first game was against his former club Preston North End. Although losing 3-0 Steve showed he could still play with the old carefree abandonment which made him such a popular figure with the Deepdale fans.

COMMUNITY NOTES vs DARLINGTON

Hello again

I would like to start today's notes by thanking Arrow Sportswear for their generous sponsorship of PNE Community Office. Their kind donation of football boots, training footwear and sweatshirts is gratefully appreciated.

Our special guest at today's game are the Duckworth family. Matthew celebrated his 11th birthday with us here at Deepdale on Wednesday.

If you are thinking of organising a birthday party and want to avoid the hassle and stress of such an event, why not contact our office for further details of our special birthday package.

Next Monday night sees the launch of this season's Family Fun Nights with the visit of Mansfield Town. Included in the evening's activities are a half-time prize draw (1st prize a family holiday), childrens face painting, opportunity to meet PNE first-teamers and Deepdale Duck and dancing girls, music and a new tea-time club for kiddies. So if you haven't anything planned for Monday, why not bring the family along.

Enjoy the game

FOOTBALL BEAT

'The Green Green Grass of Home' was scrawled across my noticeboard giving my location on Saturday, 3rd September 1994. And yes, that's where I was, having literally spent the closed season watching it grow!

My first recollection of the Deepdale grass was in 1967 and I also recall policing a large crowd. Having monitored the statistics at Deepdale over the last three and a half years, it is most noticeable that the home gates are greatly improving and I for one hope that as the grass continues to grow and improve so will the crowds.

What a brilliant start to the 1994/95 season. With 14 matches including friendlies played away from home as I write, only 2 Preston supporters have been cautioned for allegedly misbehaving (at Blackpool!!). Part of my job is to forecast the number of Preston supporters expected to travel to away matches.

I am constantly disbelieved but always proved right. Away supporters - you are fantastic (what's it like to see a crowd!). It's great to see children going away as well despite the prices you are sometimes asked to pay!! By the way, I have never heard "Is that all you take away" sung to Preston supporters. I know the Club are proud of you. In the near future we will have nobody excluded by the courts from attending Football League grounds. That's a very high standard to maintain but ...GO FOR IT - MAINTAIN IT.

Finally I am sure you would like to join me in thanking those members of the Special Constabulary who gave up their time at the recent Open Day to make the Crowd Control Room available for the conducted tours.

FANSCENE

"THIS IS DEEPDALE!!"

Welcome back to Deepdale and hopefully a 3pm kick off vs Darlington, for our 2nd meeting of the season. With another big crowd assured. The Lincoln game saw our return to grass and a return to what has become a unique North End atmosphere, a real family atmosphere, trumpet, drums (can we please have all found drums returned, via the club), flags, colour and plenty of noise. As one of the almost 9,000 home fans present it was simply great to be back. To everyone who came and joined in, thank you and lets do it again!
Last weeks news of the on/off sale of Deepdale back to the club by our illustrious council has continued to frustrate and confuse supporters. We the fans support to buy the ground but surely not at any price and not with lists of pre conditions. The ISA had written, prior to recent elections, to every councillor asking for their views to be made public. It seems strange how opinions and decisions vary once 'in power'. We the PNE supporters of the ISA will not merely sit back in silence. If our council actually want to see positive change then they must help not hinder, perhaps a look at Kirklees (Huddersfield) or Northampton would show them a truly helpful council.
A special welcome to this afternoons visiting supporters from Feethams who made the PNE ISA football team so welcome on our visit to Darlington. A great day was had by all with the ISA's team victorious (8-3).
Finally the BBC have this week contacted the ISA, wanting us to attend with our famous 'Wembley Flag' a 45,000 capacity crowd 'Songs of Praise' being recorded from Old Trafford on September 25th. The theme of the programme is "Christmas within Football' various other clubs with giant flags have been contacted including Newcastle, Sheffield Wednesday, Liverpool, and Chelsea. It's fair to say at last PNE are now with the big boys! Rest assured we will be trying to get the Stretford End signing various Preston favourites. (watch out Tony Ellis) The programme will be broadcast on October 9th on BBC 1. Sadly all tickets have been taken up. Anyway, as always be positive and keep the faith, we will succeed.

PRESTON NEOSC

PRESTON NORTH END'S OPEN DAY

Many thanks for coming along and supporting your Supporters Club. We managed to staff a tuck shop, however, the bar-b-q was cancelled, this was probably due to the fact that grilled food does not accord with our players diet, plus the fact that none of us yet passed our degrees in bar-b-q'd pasta!.
Our thanks go out to Neil Middleham who manned our Programme stall - where you could also pick up your favourite player's photo. A great time seemed to be had by all rummaging through old team photos. Some of our favourites, who we too had difficulty in recognising included Steve Uzalac, Jimmy Brown, Ian Cochrane, David Sadler, Eric Snookes and many others who were from before my time.
We still have some copies available, but if you're looking for Brian Mooney, Lee Ashcroft or Gareth Ainsworth, then don't bother - they have all found their way into my own personal album!

O.S.C. MEMBERSHIP

By now you should all have received your new membership cards, if not then please call in and see us in our newly renovated Portakabin and we'll try and sort you out.
Don't forget that by joining the O.S.C. you are entitled to a discount on all away travel that we run. Also not forgetting our many social events throughout the year and your chance to vote for the Player of the Year. I know who my money is on and we are only one home match into the season!

FORTHCOMING ATTRACTIONS

We are in the process of organising our ever popular Brewery Trip and are hoping to set up a quiz league, to be held in the Guild Club, with teams of present day players competing for our trophy along with Alex Bruce's Old Boys.

NEW BADGE

Our new badge celebrates Preston North End's return to playing on grass and will be available in the Portakabin from Saturday 1st October (the home match against Walsall) at the bargain price of £2.00.
Don't forget that we stock a large range of all League Club badges along with some from the Scottish divisions and also many from Europe.

Football wins the Pools every Saturday

Every time you enter Littlewoods, Vernons or Zetters Pools you are helping the game prosper, in particular, paying the bill for necessary ground redevelopment work in line with the Taylor Report.

The Football Trust was formed to administer the Pools' contributions and help clubs at all levels to improve safety and comfort.

The Trust receives over £36 million every year, all of it coming directly or indirectly from Littlewoods, Vernons, Zetters Pools and Spot the Ball.

Up and down the country, clubs are building new grounds, stands, seating and roofing. All depend on the support of the FOOTBALL TRUST and on the success of the football pools.

AWAY THE LADS

Thankfully the rush of 8 out of 9 games away from home is over and perhaps now we can all get back to normal where away days are looked forward to rather than dreaded, if only for reasons of expense!

Anyway the next stop is Doncaster Rovers. Saturday 24 September 1994 - K.O. 3 p.m. -

Belle Vue. Tel. 0302 - 539441.

ROUTE -

M6, M61, M62 to Junction 33, Join A1 South (A1M) then follow A635 into Doncaster Town Centre. Follow signs for Bawtry A638 and in 1.2 mile at roundabout take 3rd exit into Bawtry Road for Belle Vue. Distance approx 120 miles.

FACILITIES -

A large car park and nearby street parking is available. North Enders standing will be accommodated on a large, open, fenced terrace with covers only 2/3 of the end behind one goal at £7.00 and £3.50 (conc) with a reasonable view. Limited seating will this season be available at £9.00 and £5.00 for juveniles and OAP's in an area of the main stand near to the visitors' terrace.

Wheelchair facilities are available.The club shop is situated under the main stand with entry via the car park.

PROGRAMME -

£1.20 available both inside and outside the ground.

FANZINE -

No Doncaster fanzines are currently in print, however, old copies of 'Raise the Roof' an old Rovers fanzine are usually available in the club shop at 50p.

LOCAL RADIO STATIONS -

Radio Hallam/Radio Sheffield.

SUMMARY -

Thankfully the perimeter fences on the away enclosure have now gone and the view, of what is always an excellent pitch is guaranteed. Unfortunately Belle Vue is basically a very poor ground and as is often the case the atmosphere will be down to us. Let's not disappoint!

TRAVELLING OUR WAY -

Also crossing the Pennines next Saturday we may just see a trickle of Wiganers on route to Scunthorpe or Rochdale fans on route to Scarborough.

But don't hold your breath!

PRESTON NORTH END
V WALSALL

Walsall provide the next opposition at Deepdale on Saturday October 1st. Having had an indifferent start to the season, they recently parted company with manager Kenny Hibbitt after more than four years in charge of the Saddlers.

On the playing side, summer signing Martin O'Connor (from Crystal Palace) is showing the sort of form which prompted Walsall to sign him. Recent league form is shown below and in the Coca Cola Cup they disposed of Peter Shiltons struggling Plymouth Argyle with a 6-2 aggregate win.

August 20th	Lincoln (H)	2-1
August 27th	Hereford (A)	0-0
August 30th	Carlisle (H)	1-2
September 3rd	Northampton (H)	1-1
September 10th	Chesterfield (A)	0-0

IN SIGHT TO SCHOOL FOOTBALL

Preston Schools F.A. look forward to a new season with great optimism. Now that school players registered with professional clubs are limited to play only for their schools the schools organisations have the responsibility to fulfil the F.A.'s wish to protect under 16 players against overplay and even worse playing with injuries.
Too often has the talented player finished a season with an excess of competitive matches played, or worse still, with their interest or health long-term impaired that it is now time to protect these talented players against themselves or over-keen parents.
In the interests of our national game and more importantly in the interests of individual youngsters that their appetite for the game and their state of health are looked after.

ACTIVITIES

This season for the first time Preston Schools F.A. will be running representative teams at five age groups.
The under 19s composed of players from Cardinal Newman and Preston Colleges will play in the Cafferkey Cup. Last season the former won the Lancashire Under 19 Cup while Preston College, whom they beat in the final, reached the final stages of the National Competition.
The Under 15s managed by Martin Pallas (Ashton-on-Ribble H.S.) entertain Hyndburn in the English Schools Trophy and compete for the Lancashire Cup.
John Murphy (Cardinal Newman College) will manage the Under 14s who entertain Salford in the North West Woodward Cup, and are entered in the Lancashire Wrennall Cup. Mick McCarthy (Moorbrook School) manages the Under 13s who play in League B with St. Helens, Chorley, South Ribble and Kirkby/Knowsley in the Green Trophy, and the Primary Team will play in the Lancashire small sided League.
In preparation for the E.S.F.A. Trophy assault, the Under 15s have arranged the following games: v Bolton Wanderers away on September 9th; v Burnley away on September 13th; v P.N.E. away on September 10th or 17th; and v Wigan Schools away.

SPONSORS

Anyone wishing to assist the above teams with offers of sponsorship should contact Dick Clegg (P.S.F.A. secretary) on Preston 728164. Any help will be gratefully received, no matter how small, and fully appreciated.

OBITUARIES

Sadly over the close season four of the Associations ex-players and supporters have passed away.

BOB BRADY

In April on the day of the L.F.A. final at Deepdale news reached us of the sudden death of Bob Brady who captained two successful St. Ignatius' teams in the Dawson Cup Finals of 1938 and 1939 and represented Preston Schools in the year before the Second World War began.

BILL JESSOP

In May, Billy Jessop (St. Matthews) passed away after a battle against Alzeimer's Disease. Billy played for Preston Schools in 1934, 1935 and 1936 (in the E.S.F.A. final at Upton Park). He missed a full England cap but represented Lancashire where he completed a left wing trio of Bill Masheter (Trinity) - left half, Tommy Hough (St. Augustine's) - inside left and himself outside right. After a career in professional football he settled down in the West Midlands but many of his family still live in the Preston area.

HUGHIE GERRARD

In August, Hughie Gerrard died in his early eighties but was still an active bowler at Acregate Lane Labour Club. Hughie played for St. Joseph's before going on to St. Ignatius Central. His love of football directed him to become one of Preston's best known Football League referees (1945-60) and he remained up to his death an authority on the game. His most treasured possession was the photograph he had of himself.
Tom Finney and Stan Matthews prior to Tom's benefit match which he refereed.

FRANK HOUGHTON

Frank Houghton (Trinity -1939) left school without playing for the Town Team, but that didn't dull his ability or his ambition. He was to prove a great example to all schools footballers who mature later. Having played as an amateur with P.N.E. in 1942-43, his real chance came while on Army Service. He guested with Linfield, Derry City and Ballymena Utd with whom he turned professional in 1948, and within months became Newcastle Utd's record transfer for £5500.
He was soon to repay them by scoring the goal which put them into the First Division - against Sheffield Wednesday 17/4/48 and for this he became a geordie hero even in the company of all time greats like Jackie Milburn, George Robledo, Ernie Taylor and Alf McMichael.
After many more goals and a bout of pneumonia Frank was transferred to Exeter City in 1953 where he played for a further five years before becoming their trainer.
He lived the rest of his life in Exeter running a successful bookmaker's business with his family and kept in touch with his beloved Preston frequently sending donations to the Association to help finance activities for schools players like he had been fifty years earlier.
All great footballers and great men. We will miss them.

DEEPDALE OPEN DAY

As you will be aware by now, North End held an Open Day on Sunday 4th September. (This fitted in very nicely with the League's idea of a Family football day on Saturday 3rd - North End aimed to make it a family weekend!)
The day got off to a fine start, the stalls were up and in position for the grand opening, performed by our manager, John Beck at a little after 12.00pm. The crowd flocked in an soon the attractions were extremely busy, please note that I include our players in this, I am sure that en masse, they have not signed as many autographs for many a period of time.
John Beck led the way on the Wet Board, a device much like the stocks where fans could pay to throw wet sponges at the poor uncumberants. Mr Beck was followed throughout the day by a succession of players who dutifully took up their places and awaited their soakings.
The club shop seemed to be doing a roaring trade with both home and away kits available for sale along with a new range of sweat shirts and waterproof jackets. Outside the shop, face painting was found to be in evidence. This seems to have stemmed from our family fun nights and has proved a very popular pastime with the kids. Rummor has it that Kevin Kilbane is a dab hand at painting faces!
Gail Armstrong, Karen Wolstenholme and Ian Johnstone could be found giving guided ground tours. These were an unequivocal success and demand for outweighed the numbers that we could cope with in the time available to us.
The first highlight of the tour had to be the home dressing room, which was set out as it would have been prior to a home match. We learnt about the role of YTS, under the guidance of Chris Sulley and Gavin Nebbeling and the part that they have to play in the life of a professional. An insight was also gained into some of our first team player's superstitions eg which player is always the last to put on his shirt, who has to have all his kit handed to him and then there's the story about the players underwear, but that's for another time!
From the home dressing room, the tour visited the physio's room, with Alex Morenu in attendance, we learned something of the treatment to which our injured players are subjected, a succession of injured players, (or those pretending to be injured, just for a rest from autograph signing) could be found on the treatment table and Kevin Magees injured knee was much in evidence. Even pre match relaxation was discussed, with acupuncture being suggested!
After this the tour moved on to look at the new pitch, something which many fans seem to have been doing for the whole of the close season.
From there a visit to an executive box, the box was hired out for the season by En Tout Cas, the firm who laid the plastic pitch here at Deepdale and this was followed by a trip to the police control box, in which we were entertained by delightful anecdotes from Mr J Whillis our Ground Safety Officer and Mr Anderton, the Special Constable on hand for the day.
The tour progressed on with a visit to the boardroom, in which could be found to everyone's great delight the Football League Trophy, kindly loaned to the club for the day by Crystal Palace and the league, along with some of Preston North End's own trophies, including the War Cup and a cup which had been specially produced in 1938 and awarded to the 12 clubs who founded the League, it is believed that Preston North End have the last remaining cup in existence.
The tour ended in the Sponsors Lounge.

NORTH END ON TOUR

By Ian Rigby

In this new series I would like to highlight friendlies that Preston North End have played on "Foreign Soil". Some you will probably know about, some might be news to you, like the time North End played a team called Bethlehem.

When the 5th round of the F.A. Cup was due to be played back in 1950, Preston North End, having been surprisingly knocked out in round three by Watford, found themselves with a free Saturday. So the management arranged a friendly in Scotland against either Hearts or Dundee who were opposing each other in the Scottish cup. Dundee lost and therefore were hosts to P.N.E. on Saturday February 11th, 1950. The Scots took the field without four regulars who had been injured in their mid-week cup replay. North End made two changes from the team that had won at Barnsley the previous Saturday, Ramscar and Robertson replacing Quigley and Hannah.
P.N.E: Newlands, Walton, Scott, Horton, Waters, Forbes, Finney, Ramscar, Brown, Beattie and Robertson.
Around 12,000 saw the teams appear on the Dens Park ground and a score of schoolboy autograph hunters pursued Tom Finney only to be chased off by the police. Finney himself was prominent in a quiet start but apart from backpasses both goalkeepers were virtually spectators during the first ten minutes. The Scots eventually began to force the pace and took the lead on 14 mins, when Paddy Waters beat Malcolm Newlands in attempting a back pass. North End equalised ten minutes later when FINNEY scored from the penalty spot following a foul on Eddie Brown. Before long the games second penalty was awarded, this time to Dundee, but Newlands saved Boyd's spot-kick. BROWN who had been pulled up for offside on numerous occasions eventually beat the offside trap after 39 mins and raced through to give North End a 2-1 half time lead. Dundee played the more direct football after the restart but found Newlands in good form between the posts even under pressure. The game changed dramatically midway through the second half when Finney and Brown switched places, and it was FINNEY who put Preston further ahead after accepting a through pass from Robertson on 68 minutes. Within a minute Dundee pulled a goal back in a melee following a corner with North End defenders protesting in vain. Nine minutes later Dundee found themselves 5-2 down when RAMSCAR and FINNEY scored in quick succession. Not content with a 5-2 lead PNE added another goal just before the final whistle, through RAMSCAR.
Did you know that this match was the only time that Tom Finney scored three goals in a game for Preston North End? Apparently a programme was issued for the game but I have not seen it.

Wednesday 7th September 1994. Pontins Central League Division Two.

HULL CITY RESERVES .. 1 PRESTON NORTH END RESERVES..2
H T 1-1
Holmes, Cartwright.

After two narrow away defeats against stiff opposition the Reserves had a week with no scheduled fixture before they were off on their travels again looking for the first points of the season when they made the trip to Humberside to play Hull City Reserves.

North End gave a debut to trialist John McGlashan who was released by Peterborough United at the end of last season, the 6ft 1in Dundee born McGlashan has played for Montrose, Millwall, Cambridge United (loan), Fulham (loan) and of course Peterborough.

Second year YTS player Paul McMenemy was in the Reserve squad for the first time as a substitute alongside another talented Preston youngster Gil Brooks although neither got into the action, so the North End side had a youthful look about it with one or two old heads to steady the ship.

The score was level 1-1 at half-time with Steve Holmes scoring for North End, Steve has produced performances of high quality in the opening games of the new season. A second half goal from Lee Cartwright ensure that Preston clinched their first win and took all three points. Lee must like playing at Boothferry Park, remember the cracking goal he scored two seasons ago for the first team in North End's 4-2 victory?

PRESTON NORTH END RESERVES - Vaughan, Sulley, Lucas, McGlashan, Holmes, Squires, Challender, Cartwright, Trebble, Calligan, Kilbane (K). Subs - McMenemy and Brooks (not used)

With tight deadline dates to meet for our Programme notes the victory at Hull is not included in the Pontins Central League table show on this page. Given the circumstances I suppose it has been a reasonable start to the campaign. The team complete their fourth away fixture on the trot next week against one of our 'bogey' teams Middlesbrough. We rarely take much away from Ayresome Park but by the time you are reading this you will probably know the result.

Trevor Matthewson who played so well as a central defender in our first two Reserve fixtures has joined Bury for a £20,000 reported fee, he was a steady influence to the younger players at Deepdale, while Goalkeeper Kelham O'Hanlon's proposed transfer to Scottish Premier Division club Dundee United is still up in the air (at the time of writing).

STEVE HOLMES *has tuned in performances of the highest quality.*

Continuation Of Good Start
Fixture No 4
Away v Wigan Ath. 'A'

Following on from the impressive start to the new season with 2 wins and one defeat, the first match of the season ended with a fine 1-1 draw away versus Wigan Athletic. The team that represented North End was:-
Lucas (D), Corcoran, Squires, Hayton, Brooks, Kilbane (K), Borwick, McKenna, Magee, Calligan, Bingham.
Substitutes: McCrone and Stewart
Goalscorer: Calligan

As the first league table of the season shows that up to and including Saturday 27th August four games have been played winning 2 drawing 1 and losing 1. In the process or gaining 7 points, 17 goals have been scored averaging 4+ per game, the best in the Division.

Fixture No 5
Home v Crewe Alex 'A'

Steve Carroll sent in the following report for the programme

Report PNE 'A' v Crewe Alex 'A'
Saturday 3rd September 1994
at B.A.C. ground Warton Won 3-1

Crewe won the toss and played down wind in the first half. The first attack came down the left wing which was crossed by Kevin Magee and headed just wide by the over aged player Steve Holmes. In the 15th min Chris Borwick shot just wide from a tight angle with all the play coming from the left where Magee was showing his pace. During this intense pressure Magee once again caused the Crewe defence to concede a corner which was headed passed the stranded keeper by Steve Holmes. 1-0 to North End, this was after 30 minutes. Crewe mounted one of their rare attacks and young David Lucas saved well at the foot of the post. In the next attack a great centre was pulled back by 'Tiny' Calligan to Stuart Bingham who crashed the ball over the bar, a great move. At this stage Crewe took control in midfield and after some three players were involved a great shot by Wolstenholme (Crewe's no 9) beat Lucas with an unstoppable shot. Half time 1-1.
The second half was taken over by the other Kevin. This time it was Kilbane who was causing all the trouble to the Crewe defence prompted by the 'Engine room' of Paul McKenna and Captain Chris Borwick. North End took off McKenna who was replaced by midfielder Paul McMenemy. In the next attack Magee crossed for Kilbane who crashed home an unstoppable shot 2-1. In the next attack the game was sealed by 'Tiny' Calligan from a great cross by Kevin Kilbane, the game ended with Magee injured on the edge of the Crewe area, gladly nothing serious, a good game controlled by Mr C. Hodson from Blackpool.
Bookings: John Calligan
The Preston Team: David Lucas, Kyle Hayton, Gill Brooks, Paul McKenna, Steve Holmes, Damian Corcoran, Chris Borwick, Kevin Kilbane, John Calligan, Stuart Bingham, Kevin Magee. Subs: Paul McMenemy for P. McKenna, Colin Potts for Stewart Bingham
P.S. This is the only 'A' team fixture at home in September

In the last programme v Lincoln (3/9/94) I mentioned that I had heard nothing about 2nd Year YTS player Richard Ellis from Clwyd N. Wales. It has now come to light that both Richard and Tony Powell relinquished their YTS contract at Deepdale after only one year, both of them have been at Warrington Town Football Club this season. Tony has signed a contract with the club, Richard I am led to believe has now returned to full time education.
Last Saturday the youth team had no fixture, but today face Bolton Wanderers youths at Chorley football clubs ground, Victory Park. Details of this game and the midweek fixture away at Man City (Wed 7th Sept) will be in the programme v Walsall (1/10/94).
Many thanks to Steve Carroll for his match report for todays programme. If any reader would like to submit anything (match reports, news about North End youth's etc) for the youth page in the programme they can send them to me, John Draper, 1 Green Lane, Longbridge, Preston PR3 3RA or ring Longridge 783969 or alternatively hand in at the club offices.
Many thanks for reading about our youth team.

The Huddersfield Youth Tournament
August 1994

Huddersfield 2 P.N.E. 2
Huddersfield had a very strong team and actually went on to win the tournament. They dominated for long spells and went 2-0 in the lead. However, the lads showed great spirit and determination and were rewarded with two goals in the last 5 mins to earn a draw. Dave Lucas had an outstanding game in goal.

P.N.E. 1 Sheffield Utd. 4
This game was decided by some strange refereeing decisions that baffled both teams. We took the lead midway through first half from John Calligan's header and deserved the lead. Against the run of play Sheffield equalised just before half time. With the games delicately poised the referee decides to liven things up by giving two penalties against us within 5 mins of each other 15 mins into the second half.
The first for 'sandwiching' the Sheffield forward while the defenders were competing in the air. The second when Kyle Hayton clearly won the ball. Then to add insult to injury the referee over ruled the linesman on an offside decision to allow Sheffield to score their fourth. To top it all a trialist we sent on for the last 10 mins was sent off in the 89th min. Referees!

We totally dominated this game and did just about everything except score. Some noteable performances came from Paul McKenna, Chris Borwick and John Calligan.
This annual tournament is very well organised and a great way to warm-up for the start of the season. I would like to thank Gavin Nebbeling for his help and assistance and welcome him as Youth Development Officer. Can I also thank Dai Jones the tournament organiser who invited us to this year's tournament.
